BEFORE: DIXON, NICKELL, AND TAYLOR, JUDGES.

PER CURIAM: This matter comes before the Court as a second interlocutory appeal from an order of the Bullitt Circuit Court regarding temporary maintenance. The Court, having reviewed this order and determining the interlocutory nature of the trial court's order as well as the lack of finality language required by CR 54.02¹, determines that it is without authority to entertain William Logsdon's appeal. *Hale v. Deaton*, 528 S.W.2d 1975 (Ky. 1968).
